## RAINBOW ROCKET/ HAMILTON PRE-PRIDE!

We were asked along with GLSEN & TreeHouse to support this growing effort in the Butler County/ Hamilton, OH area to support many Pagan Communities who wanted to come together in support of Queer youth & working towards helping to secure safe spaces for them & many LGBTQ+ Families who frequented their events. We were overjoyed to join many other groups in helping to lend support & helping to amplify Event info on Social Media & at our Support spaces. It's important that we constantly work to make sure that ALL LGBTQ+ folks feel safe, supported, seen, & especially heard. Having helped with other interfaith efforts in the past- we jumped at the chance to center the work & voices of these incredible folks up in Hamilton, OH this year & applaud ALL of their efforts. Dan will be speaking about our PFLAG Support groups & TreeHouse StoryTime monthly space. Lady Phaedra will perform after Dan with Stixen Stones performing after the incredible April Huerta from the Lane Library who will be talking about TreeHouse Cincinnati & her 2nd annual Hispanic Heritage Festival coming up this Fall! The Event will be INCREDIBLE & we encourage folks to come out & support May 7th in Hamilton, OH 4-9pm!

**ALSO Special Thanks again to the Clifton Branch Library & everyone who came out Sat. 4/30 1-4pm to the first annual "Lemonade on the Lawn!" Event centering LGBTQ+ Wellness! Don't miss it in 2023! More info at [www.treehousecinci.org](http://www.treehousecinci.org)!**

## CONGRATULATIONS TO THE CINCINNATI SISTERS ON THEIR EXEQUATUR WEEKEND!!!

This entire group of folks are doing legendary work each & every month in the local LGBTQ+ Community. Their Exequatur Event is to celebrate their OFFICIAL leap into becoming FULLY professed & was a magical gathering of other Sister groups from across the country! The event was hosted at the Woodward Theatre & there was MUCH to celebrate watching all of these incredible folks become "fully professed," & watch several local legends including Penny Tradition, Lady Phaedra, & Brooklyn Steele- Tate become "sainted!" We are so very lucky to have such a vibrant local Community of advocates, allies, & Community that is the definition of "Found Family."
